Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	<u>Network provider</u> : \$1,500 individual/ \$3,000 family; <u>Out-of-Network provider</u> : \$1,500 individual/ \$3,000 family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. In- <u>network</u> <u>preventive care</u> services, certain annual cancer <u>screening</u> services, female voluntary sterilization, contraceptive counseling, contraceptive devices and injectables, breast pump (one per 36 months), lactation support and routine prenatal visits are covered before you meet your <u>network deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> services at https://www.healthcare.gov/coverage/preventive-care-benefits/ A State-funded Health Reimbursement Arrangement (HRA) is available to help offset a large part of the <u>deductible</u> . The State funds the HRA, \$1,250 for individual and \$2,500 for dependent coverage levels, upon subscriber's enrollment in the Aetna CDH Gold plan at the beginning of the plan year, July 1, 2019. HRA funds are prorated in accordance with subscriber's effective date of enrollment or change in coverage tier level.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	For <u>Network provider</u> Medical: \$4,500 individual/ \$9,000 family; <u>Network provider</u> Prescription Drug: \$2,100 individual/ \$4,200 family. <u>Out-of-Network provider</u> Medical: \$7,500 individual/ \$15,000 family; <u>Out-of-Network provider</u> Prescription Drug: Not Applicable	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance billing</u> charges, health care this <u>plan</u> does not cover, <u>coinsurance</u> on certain services and penalties for failure to obtain precertification.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.aetna.com or call 1-877-542-3862 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
